

Mirrored Acrylic & PC

Acrylic mirror has all the qualities of glass, plus it is impact resistant, lightweight and comes in both clears and colors. We have over fifteen different colors, textured, one way see-thru, hard coated, non glare, marine & aircraft grade and oversized sheets of clear. Acrylic mirror can be sawn or laser cut and is a great way to make a sign or point of purchase display really stand out. In addition to acrylic, we also stock poly-carbonate mirror, though slightly less brilliant than acrylic, these mirrors are virtually unbreakable. Samples are available upon request.
