

Acrylic

We stock extruded, cell cast and continuous cast acrylic in clear and over 200 colors. Ideal for P-O-P displays, store fixtures, glazing and general fabrication, Acrylic sheet offers manufacturers, fabricators and designers a high-optical product with exceptional strength and durability. It delivers exceptional cost savings through down gauging without sacrificing the structural integrity of your application. Further cost reductions are achieved through faster fabrication, lower shipping & handling, and reduced breakage.
